

NEW TO HOUNSLOW?

Welcome to Hounslow! In your first few weeks, you'll be focused on getting to know your new workplace a little better. You'll be meeting your new team and learning more about your new role, who we are and what we do.

This hub has been designed to bring all the essential information you'll need together in one place. You can come back to it as many times and whenever you like – whether it's your first day, first week or the end of your probation and beyond.

During this time, it's really important that you stay in regular contact with your manager. They are there to support you and answer any questions you may have.
