**LONDON COUNCILS LIMITED**  
**DIRECTORS' REPORT**  
**For the year ended 31 March 2023**

---

The directors submit their annual report and the audited financial statements of London Councils Limited for the year ended 31 March 2023.

**Principal Activities**

London Councils Limited was established in March 1995, following the merger of the Association of London Authorities (ALA) and the London Boroughs Association (LBA), with the objects of consultation as to the common interests of member authorities and discussion of matters relating to local government. From 1 April 2000, these functions transferred to the London Councils Joint Committee. London Councils Limited has been retained solely to record all transactions relating to the holding and rental of property and in relation to the employment of the three political advisers.

London Councils' political advisers serve and support London local government and the members belonging to their London Councils party group. The political advisers are also the main point of contact between London Councils and other national/regional or local groupings of their respective national political parties. There are political advisers for the Conservative, Labour and Liberal Democrat parties.

The company is funded by subscriptions from its member boroughs, recharges to London Councils Leaders' Committee (parent undertaking) and London Councils Transport and Environment Committee and income from tenant licence holders.

**Business Review**

London Councils Limited's results for the financial year ended 31 March 2023 show a breakeven position (2022: a breakeven position).

On 10 April 2012, the company renewed the lease at 59½ Southwark Street, London, SE1 0AL for a ten year period commencing on 26 March 2011 to 25 March 2021. On 19 June 2018, the company agreed to enter into a reversionary lease for an additional five year period commencing from 26 March 2021 to 25 March 2026.

On 3 February 2015, the company acquired a lease at Chancery Exchange, 10 Fumival Street, London EC4 1AB to accommodate London Tribunals, which relocated to Chancery Exchange in July 2015. The lease runs until 29 March 2025 and the annual cost is recharged to London Councils Transport and Environment Committee.

**Provision of Information to the Auditors**

So far as the directors are aware, there is no relevant audit information of which the London Councils Limited's auditors are unaware; and the directors have taken all the steps that ought to have taken as the directors in order to make themselves aware of any relevant audit information and to establish that London Councils Limited's auditors are aware of that information.

**LONDON COUNCILS LIMITED**  
**DIRECTORS' REPORT**  
**For the year ended 31 March 2023**

---

**Directors and Directors' Interests**

The directors of the company who were in office during the year and up to the date of signing the financial statements were:

<b>Position</b>	<b>Name</b>
Chair:	Cllr Georgia Gould
Board members:	Cllr Ruth Dombey OBE Deputy Chris Hayward (Appointed 27 July 2022) Catherine McGuinness (Resigned 27 July 2022) Cllr Baroness O'Neill of Bexley OBE Cllr Darren Rodwell

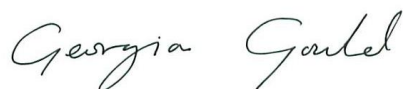

All directors have an interest in London Councils Joint Committee, as members, which is the ultimate parent undertaking.

The directors receive no emoluments (2022: Nil) for services provided to London Councils Limited.

**Exemption Statement**

This report has been prepared in accordance with the special provisions relating to small companies within Part 15 of the Companies Act 2006.

Approved and signed on behalf of the directors

.....  
**Cllr Georgia Gould**  
**Chair of London Councils Limited**

**11 July 2023**

## **LONDON COUNCILS LIMITED**

### **STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE DIRECTORS' REPORT AND THE FINANCIAL STATEMENTS**

---

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK accounting standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 - The Financial Reporting Standard applicable in the UK and Republic of Ireland.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in the UK governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

## **LONDON COUNCILS LIMITED**

### **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LONDON COUNCILS LIMITED**

---

#### **Opinion**

We have audited the financial statements of London Councils Limited (the 'company') for the year ended 31 March 2023 which comprise the Profit and Loss Account, the Balance Sheet and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2023 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the director's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

## **LONDON COUNCILS LIMITED**

### **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LONDON COUNCILS LIMITED**

---

#### **Other information**

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

#### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or

## **LONDON COUNCILS LIMITED**

### **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LONDON COUNCILS LIMITED**

---

- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

#### **Responsibilities of directors**

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We obtained an understanding of the company and the sector in which it operates to identify laws and regulations that could reasonably be expected to have a direct effect on the financial statements. We obtained our understanding in this regard through discussions with management, industry research, application of cumulative audit knowledge and experience of the sector etc.
- We determined the principal laws and regulations relevant to the company in this regard to be those arising from the Companies Act 2006, Financial Reporting Standard 102, Employee Legislation, Tax Legislation and GDPR.

## **LONDON COUNCILS LIMITED**

### **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LONDON COUNCILS LIMITED**

---

- We addressed the risk of fraud arising from management override of controls by performing audit procedures which included but were not limited to: the testing of journals; reviewing accounting estimates for evidence of bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business.
- We designed our audit procedures to ensure the audit team considered whether there were any indications of non-compliance by the company with those laws and regulations. These procedures included, but were not limited to, enquiries of management and review of the Company's related party transactions and disclosures.
- As in all of our audits, we addressed the risk of fraud arising from management override of controls by performing audit procedures which included, but were not limited to: the testing of journals; reviewing accounting estimates for evidence of bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

## **LONDON COUNCILS LIMITED**

### **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LONDON COUNCILS LIMITED**

#### **Use of our report**

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone, other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

## **LONDON COUNCILS LIMITED**

### **NOTES TO THE FINANCIAL STATEMENTS** **For the year ended 31 March 2023**

---

#### **1. COMPANY STATUS**

London Councils Limited is a company limited by guarantee and does not have any share capital. The liability of the directors is limited to £1 each in the event of the Company being wound up.

#### **2. ACCOUNTING POLICIES**

These financial statements are prepared on the going concern basis, under the historical cost convention, and in accordance with the Companies Act 2006 and applicable accounting standards in the United Kingdom. The principal accounting policies, which have been applied consistently throughout the year, are set out below:

##### **a. Basis of Accounting**

The Financial Statements have been prepared under the historical cost convention and in accordance with applicable accounting standards in the United Kingdom. The company has adopted FRS102 – Section 1A.

##### **b. Going Concern**

The company is funded by subscriptions from its member boroughs and recharges to London Councils' Leaders Committee (parent undertaking) and Transport and Environment Committee. The company's members are all local government bodies and there is a high degree of uncertainty about future levels of funding for local government. However, the directors have determined that this uncertainty is not sufficient to provide an indication that the operations of the company might be affected as a result of a need to reduce levels of service provision. The subscription and recharge budget for the 2023/24 financial year was approved by London Councils' Leaders Committee, the parent undertaking, on 13 December 2022. London Councils retains the full membership of the 32 London Boroughs and the City of London which means the company has sufficient funds for a period of 12 months from the date of the approval of these financial statements.

##### **c. Income and Expenditure**

Income and Expenditure is recognised on an accruals basis.

##### **d. Turnover**

Turnover represents the fair value of goods sold and services provided net of Value Added Tax. Over half of the turnover is derived from member subscriptions with the balance derived from rental income, premises and accommodation charges. The turnover and pre-tax result is wholly attributable to the principal activities, which arose wholly in the United Kingdom. Revenue from the provision of services is recognised when the Company can measure reliably the percentage of completion of the transaction and it is probable that economic benefits or service potential associated with the transaction will flow to the Company.

## **LONDON COUNCILS LIMITED**

### **NOTES TO THE FINANCIAL STATEMENTS For the year ended 31 March 2023**

---

#### **2. ACCOUNTING POLICIES (continued)**

e. Leasing

Costs in respect of operating leases are charged to the profit and loss account on a straight line basis over the term of the lease.

f. Provisions

A provision is recognised in the financial statements when there is a present obligation as a result of a past event, it is probable that a payment would be made to settle the obligation and a reliable estimate of the obligation can be made. The present obligation is measured at the discounted value of the future cash flows using an appropriate discount factor.

g. Pensions

The employees of the company are eligible to participate in the parent undertaking's defined benefit pension scheme which is a Local Government Pension Scheme (LGPS) administered by the London Pension Fund Authority (LPFA). The company is unable to identify its share of the assets and liabilities of the Defined Benefit Pension Scheme. As such, the costs of participating in this scheme are recognised as they are incurred. In the event of any liabilities arising in respect of the scheme, these would be the responsibility of London Councils Joint Committee (parent undertaking).

h. Financial Instruments

Financial assets measured at amortised cost are recognised on the Balance Sheet when the authority becomes a party to the contractual provisions of a financial instrument and are initially measured at fair value. Annual credits to the Interest Receivable and Similar Income line in the Profit and Loss Account for interest receivable are based on the carrying amount of the asset multiplied by the effective rate of interest for the instrument. Changes to assets carried at fair value are recognised in the Profit and Loss Account.

Financial liabilities are recognised on the Balance Sheet when the company becomes a party to the contractual provisions of a financial instrument and are initially measured at fair value and carried at amortised cost. Annual charges to the Interest Payable and Similar Charges line in the Profit and Loss Account for interest payable are based on the carrying amount of the liability, multiplied by the effective rate of interest for the instrument. The effective rate of interest is the rate that exactly discounts estimated future cash payments over the life of the instrument to the amount at which it was originally recognised.

#### **3. EVENTS AFTER THE BALANCE SHEET DATE**

FRS102 requires information which comes to light after the balance sheet date that provides evidence of conditions that existed at the balance sheet date (adjusting post-

## LONDON COUNCILS LIMITED

### NOTES TO THE FINANCIAL STATEMENTS For the year ended 31 March 2023

---

balance sheet events) to be reflected in amounts recognised in the accounts. A review of the potential impact of significant increase in inflation on the company's affairs has not revealed any changes to conditions that existed at the balance sheet date that require adjusting.

#### 4. CRITICAL ACCOUNTING JUDGEMENTS AND ESTIMATION UNCERTAINTY

##### a. Critical judgements in applying accounting policies

The critical judgement made in applying the accounting policies is:

Pensions – The employees of the company are eligible to participate in the parent undertaking's defined benefit pension scheme which is a Local Government Pension Scheme (LGPS) administered by the London Pension Fund Authority (LPFA). The directors' do not have sufficient information of the plan assets and liabilities to allow them to reliably account for the company's share of the net pension deficit. Therefore, the costs of the scheme are accounted for as a defined contribution scheme. See note 10 for further details.

##### b. Critical accounting estimates and assumptions

The Company makes estimates and assumptions concerning the future when preparing the accounts. The estimates and assumptions are made taking into account historical experience, current trends and other relevant factors. The estimates and assumptions may differ from the actual results which could lead to material adjustments to the values of assets and liabilities. The item in the company's Balance Sheet at 31 March 2023 for which there is a significant risk of material adjustment in the forthcoming financial year is as follows:

Provisions - The Company has made a provision of £1,120,180 for its contractual obligations for dilapidations and periodic decoration included within its property leases. The provision is based on the most reasonable estimate of these future costs. An increase of 10% to the total value of these costs would have the effect of adding £112,018 to the annual contribution to the provision.

#### 5. TRANSFER TO LONDON COUNCILS JOINT COMMITTEE

	2023	2022
	£	£
Transfer to London Councils Joint Committee	-	10,031

All surplus member subscriptions are transferred to London Councils Joint Committee, of which the Company is a wholly owned subsidiary, to be used in accordance with members' objectives.

Annual Leave Liability	(819)	(2,456)
<b>Total Staff Costs</b>	<u><b>195,615</b></u>	<u><b>173,152</b></u>

## LONDON COUNCILS LIMITED

### NOTES TO THE FINANCIAL STATEMENTS For the year ended 31 March 2023

---

In relation to the pension valuation, as at 31 March 2023 the pension scheme of London Councils Joint Committee (parent undertaking) had a surplus of £4.725 million (2022: deficit of £31.189 million). The net pension surplus for the scheme has been measured using the projected unit method. The LGPS regulations require the scheme to carry out a full actuarial valuation every three years. This valuation is the starting point for the 'roll forward' for the annual FRS102 valuation using the projected unit method. The difference between the triennial actuarial valuation and the annual FRS102 valuation is due to the use of different actuarial assumptions and calculation methodologies. The last triennial actuarial valuation of the Scheme took place as at 31 March 2022. The valuation resulted in a surplus of £14 million (2019: £4.017 million surplus). Further details of the plans and the assumptions applied can be found in the audited financial statements of London Councils Joint Committee available from 59½ Southwark Street, London, SE1 0AL. The cost of contributions to the pension scheme during the financial year amounts to £21,273 (2022: £19,126). There were no outstanding or prepaid contributions (2022: Nil).

#### 11. TAX ON RESULT ON ORDINARY ACTIVITIES

London Councils Limited is exempt from charge to income tax, corporation tax and capital gains tax under S.519, Income and Corporation Taxes Act 1988.

#### 12. DEBTORS

	2023	2022
	£	£
Trade Debtors	61,680	60,442
Amounts owed by group undertaking	861,686	515,238

For the year ended 31 March 2022

---

**14. PROVISIONS FOR LIABILITIES**

	<b>Property Lease Provisions £</b>
<b>Balance at 1 April 2022</b>	<b>900,357</b>
Additional Provisions made in 2022/23	205,303
Discount unwind (note 7)	14,520
<b>Balance at 31 March 2023</b>	<b><u>1,120,180</u></b>

Analysis of total provisions:

	<b>£</b>
Current	246,750
Non-current	873,430
<b>Total Provision</b>	<b><u>1,120,180</u></b>

The Company has established a provision for its contractual obligations included within its property leases. The lease for Southwark Street requires internal and external decoration works to be carried out in March 2016, March 2021 and March 2026 and dilapidation works to be carried out in March 2026. Some of the internal and external decoration work due in March 2016 and March 2021 has not yet been carried out.

The lease for Chancery Exchange requires internal decoration work to be carried out every three years commencing from March 2018 and general dilapidation work to be carried out at the end of the lease in March 2025. There has been no internal decoration work carried out to date.
